

6 Days to Great Ethiopian Rift valley lakes and omo valley tribes

Here's a summary of your six-day journey:

Day 1: Addis Ababa to Arba Minch

You'll start by departing from Addis Ababa and driving south to Arba Minch. Once you arrive, you'll check into Haile Resort and have the evening to relax and enjoy the beautiful surroundings.

Day 2: Lake Chamo, Lake Abaya, and Dorze Village

On this day, you'll embark on a boat trip on Lake Chamo, which is known for its abundant hippos and crocodiles. Afterward, you'll explore Nechisar National Park, where you can spot wildlife like zebras and gazelles. You'll also have the opportunity to visit the Dorze Village, famous for its traditional beehive-shaped houses and weaving techniques. You'll spend the night at Haile Resort in Arba Minch.

Day 3: Konso Village and Culture

Leaving Arba Minch, you'll head to Konso, renowned for its terraced farming and unique cultural heritage. You'll have the chance to explore the Konso Cultural Center, where you can learn about the customs and traditions of the Konso people. You'll spend the night at Turumi Emerald Lodge in Konso.

Day 4: Turmi and Karo Tribe

On this day, you'll depart from Konso and travel to Turmi, a town inhabited by the Hamar tribe. Once there, you'll visit a Karo village, where you can learn about their artistic body painting and scarification practices. You'll spend the night at Turumi Emerald Lodge in Turmi.

Day 5: Turmi and Mursi Village

You'll have the opportunity to explore the Mursi village, known for its distinctive lip plates and decorative body scarifications. This will provide you with an insight into their customs and way of life. You'll spend the night at Jinka Resort in Jinka.

Day 6: Ari Village and Return to Addis Ababa

On the last day of your adventure, you'll visit an Ari village in the morning, where you can learn about their agricultural practices and traditional lifestyle. Afterward, you'll transfer to Jinka Airport and fly back to Addis Ababa, concluding your journey through the Omo Valley.
